Memo to Coaches: Relays

Please review rules with your teams prior to the race. No instructions will be given at centre field.

1. **Start Line:** Only one command is given before the gun is fired - "ON YOUR MARKS".
2. First runner on each team must run the entire race in his or her assigned lane. The athlete must NOT step on the left line (at all) at any time.
3. **Exchange:** Coaches please stress the following:
 - a) 20m exchange zone. Please point out pylon which indicates the end of zone.
 - b) Second (2nd) runner on each team is assigned to same lane as first runner. Subsequent runners (3 to 8) are placed on the track according to the team's position in the race.
 - c) Runners 2 to 8: Once the exchange has been made, the outgoing runner should move in safety to the inside lane(s).
 - d) After the exchange, incoming runners should remain in their lanes until it is safe to leave the track.
4. **Passing Slower Runners:** No contact, interference, or cutting off is permitted. It is safer to pass a slower runner on the outside (right).
5. **Finish Line:** Ensure each team's last runner knows where the finish line is (past the lane numbers).
